### SAIL BOAT RENTAL FEES

It is expected for all young sailors to own their own sailboats by year 2 or 3 of the program, according to what class boat they sail.\* However, for those students who cannot afford their own boat the Sailing Committee under the direction of the Rear Commodore will set a boat rental policy that will be distributed to all new sailing members at registration for the instructional program.

Currently the rental agreement is as follows: 1<sup>st</sup> year free; 2<sup>nd</sup> year \$50.00; 3<sup>rd</sup> year \$100, 4<sup>th</sup> year \$200

\* For a sailor to progress they need their own boat to sail and race. Those sailing Optimis, Sunfish and Lasers should have their own boat by year 2. There is a bulletin board with used boats for sale on the outside wall of the club house and if you ask the Rear Commodore or the Sailing Instructors they can point you in the direction of some used boats among our own membership.
